

# INFECTIOLOGY / CVC Model Infected by S. Aureus

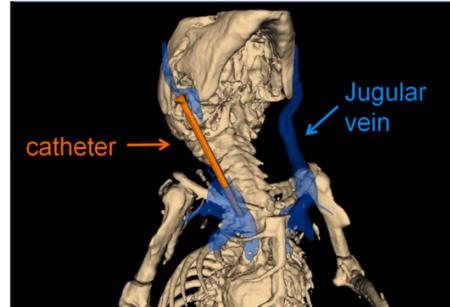

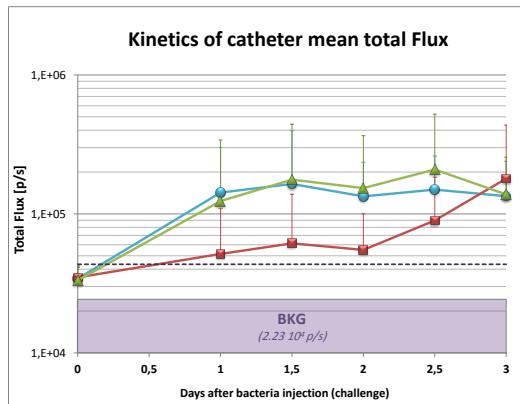

## INFECTIOUS DISEASES

### → Parameters

- ✓ Flux : Number of photons / time unit
- ✓ In-vivo kinetics of catheter and other organ infection

### Test of vaccine candidates in mouse CVC model infected by S. Aureus

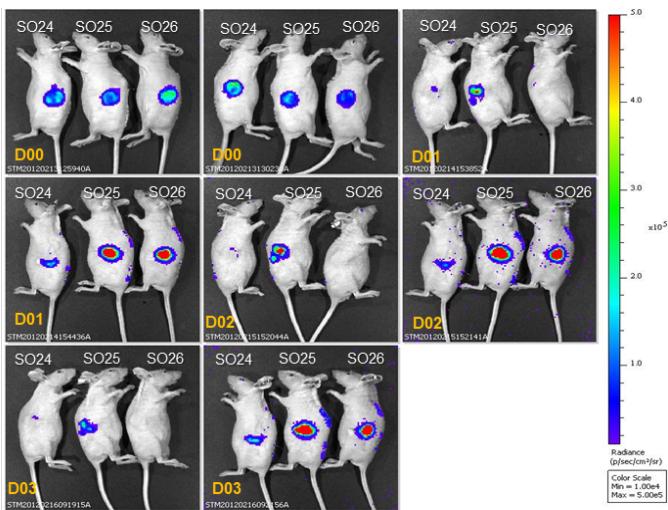

V O X C A N

# INFECTIOLOGY / Sub-cutaneous Model Infected by S. Aureus

## INFECTIOUS DISEASES

## Test of antibacterial implant coatings In sub-cutaneous model of S. Aureus infection

### → Parameters

- ✓ Flux : Number of photons / time unit
- ✓ *In-vivo* kinetics of mesh infection

V O X C A N
